

Integrated Systems Technology Academy of Engineering at Jack Britt High School

The Academy Uniform

- **Academy Shirt (tucked in)**
- **Khaki pants or skirt**
- **Closed toe shoes (no flip-flops or sandals)**

Tuesday is our designated Academy uniform day. Students receive credit for wearing their uniforms. Academy members must check in at the Academy table located just outside D Hall 100's wing, between 8:05 and 8:25 am. Academy members are required to wear their uniforms regardless of whether they have an Academy class that semester or not, and they must wear the uniform for the duration of the school day.

When attending special Academy events or when representing the Academy (including field trips), Academy members are required to wear their IST uniform.

The first Academy shirt can be purchased through the Academy Director. Additional shirts may be ordered through the Academy office as well.
